MOTION FOR EXTENSION OF TIME TO FILE

The United States of America, by and through S. Carran Daughtrey, Assistant United States Attorney for the Middle District of Tennessee, respectfully requests this Court allow the government additional time to submit its *in camera* filings due on August 5, 2008. As grounds for this extension, the government submits the following: the undersigned attorney has had some unexpected family issues arise during since filing the previous request for an extension; whenever possible, the undersigned attorney has been working diligently on this motion, including approximately ten hours over the weekend; given the sensitive nature of this matter, prior to filing the motion, the undersigned attorney needs to confer with an attorney within this office who is on vacation until Thursday of this week; and finally, due to technology problems, the government has been unable to locate some documentation needed to complete the *in camera* motion.

Wherefore, the government respectfully requests that the parties be given until Friday August 8, 2008 in which to make their filings. This extension will not effect the current scheduling in this case.

Respectfully submitted,
